Hi Erica!

Here is the agenda and previous meeting minutes (June). I'm still working on the presentation and materials development for Tues. We just had a good call with the TAC chair to narrow down the focus and hone in on the priorities for specific TAC feedback/action items.

I can call you on Monday to discuss if you'd like, or I'm happy to send you the presentation directly in advance of the meeting on Tues first thing in the AM.

Happy Thanksgiving!! ☺

Erica,

Karina is the center of material production for the upcoming TAC.

She'll work with you proactively leading up the meeting to get you what you need.

We'll figure out the phone and let you know.

Bye bye,

Tom

Hi everyone,

Are there TAC meeting materials you can send me ahead of time? Also, can we set up a phone line like last time? Thanks.

Have a good holiday.

Hi Guangyu,

I'm planning to call in to the TAC meeting. Is it better if you call me? Do you have materials can send me ahead of time? Thanks.

Have a good weekend.

Best,

Erica
